

INFORMS REGIONAL CONFERENCE **May 6-7, 2011**

INFORMS Northeastern Regional Conference *Theory to Practice*

University of Massachusetts, Amherst
Amherst, Massachusetts

University of Massachusetts is pleased to host the 2011 INFORMS Northeastern Conference – a great opportunity for students, faculty, and practitioners in the region to share their work. We seek presentations from all methodological and application areas of operations research and management science. Join us for a full program of technical sessions, plenaries, and panel discussions.
